PUBLIC PARTICIPATION RELATIVE TO AGENDA ITEMS

There was no public participation relative to agenda items.

LEGISLATIVE LIAISON REPORT

Mr. Lee Schreiner provided a Legislative Liaison Report as follows:

The House Finance Committee voted to accept the substitute bill reflecting the first round of changes to House Bill (HB) 33 — the fiscal year (FY) 2024-25 biennial budget bill. The House Finance Committee is expected to make another round of changes to the budget bill this week. The House is expected to pass its version of the budget by the end of the month.

Ohio House continues biennial budget work

The Ohio House was on a two-week spring break, and it is expected that during the week of April 17 the House will release a substitute version of House Bill (HB) 33, the biennial budget bill. Members of the Ohio House will have an additional opportunity to submit changes to the substitute bill. The Ohio House Finance committee will conclude its work with an omnibus amendment, a large amendment full of many smaller amendments, and a vote to move the bill out of committee and to the rules and reference committee. The final House version of the budget is expected to be passed by the end of April. The Ohio Senate is expected to begin work on the biennial budget in early May.

Update on important bills to watch

The Ohio House and the Ohio Senate have been working on several bills that would impact public school districts. Additional committee hearings are expected on these bills when the legislature returns the week of April 17 and during the month of May. It is important to note that these issues are not currently included in the biennial budget bill, but members of the Ohio House and the Ohio Senate could amend these bills into HB 33.

Senate Bill (SB) 1, sponsored by Sen. Bill Reineke (R-Tiffin), which would rename the Department of Education as the Department of Education and Workforce (DEW) and would create the position of Director of Education and Workforce. The bill also would reform the functions and responsibilities of the State Board of Education and the Superintendent of Public Instruction. This bill passed out of the Ohio Senate and is currently in the House Economic and Workforce Development Committee. The bill has had two hearings.

HB 12, sponsored by Reps. Don Jones (R-Freeport) and David Dobos (R-Columbus), is a companion bill to SB 1. The bill is currently in the House Primary and Secondary Education committee and has had four hearings. SB 11, sponsored by Sen. Sandra O'Brien (R-Ashtabula), which would expand eligibility for EdChoice scholarships to all students beginning with scholarships sought for the 2023-24 school year, and increases the homeschool expense tax credit from \$250 to \$2,000. The bill is currently in the Senate Education Committee and has had three hearings.

HB 11, sponsored by Reps. Riordan T. McClain (R-Upper Sandusky) and Marilyn S. John (R-Shelby), which would establish the Backpack Scholarship Program to begin operating for the 2023-24 school year and repeal the Educational Choice Scholarship Pilot Program and the Pilot Project Scholarship Program on July 1, 2024. The bill has had two hearings in the House Primary and Secondary Education Committee.

HB 1, sponsored by Rep. Adam Mathews (R-Lebanon), which would modify the law regarding property taxation and income tax rates. The bill has had four hearings in the House Ways and Means Committee.

Recently introduced legislation

- HB 103, sponsored by Reps. Don Jones (R-Freeport) and Tracy Richardson (R-Marysville), which would establish the Ohio Social Studies Standards Task Force to develop new social studies academic standards for use beginning with the 2024-25 school year.

**South-Western City Schools
Minutes – Regular Meeting
April 24, 2023**

- HB 117, sponsored by Reps. Gayle Manning (R-North Ridgeville) and Phillip M. Robinson Jr. (D-Solon), which would eliminate retention under the Third Grade Reading Guarantee; expand the grades for which intensive reading intervention is provided; and expand the inclusion of phonics in learning standards.
- HB 125, sponsored by Reps. Adam Mathews (R-Lebanon) and Nick Santucci (R-Howland Township), which would modify the income tax deductions for contributions to 529 plans and ABLE accounts.
- HB 127, sponsored by Rep. Sarah Fowler Arthur (R-Ashtabula), which would revise the law regarding the home education of children.
- HB 135, sponsored by Reps. Thomas Hall (R-Madison Township) and Rodney Creech (R-West Alexandria), which would require school districts to grant students excused absences from school for participation in 4-H and FFA programs and activities.
- HB 137, sponsored by Reps. Mathews and Phil Plummer (R-Dayton), which would require ODE to study the feasibility of implementing a program similar to the Kentucky Bluegrass Challenge Academy.
- HB 139, sponsored by Reps. Bill Roemer (R-Richfield) and Joseph A. Miller III (D-Amherst), which would increase the penalties for assault if the victim is acting as a sports official or the assault is committed in retaliation for the victim's actions as a sports official.
- HB 140, sponsored by Rep. Richard D. Brown (D-Canal Winchester), which would increase penalties for passing a school bus and allow the use of cameras on school buses.
- HB 145, sponsored by Reps. Hall and Brian E. Lampton (R-Beavercreek), which would expand political subdivision joint purchasing authority to expressly include purchases for construction services.
- HB 146, sponsored by Rep. Adam C. Bird (R-New Richmond), which would establish a contribution-based benefit cap in calculating a School Employees Retirement System member's retirement benefit.
- HB 147, sponsored by Reps. Fowler Arthur and Adam C. Miller (D-Columbus), which would make changes to teacher licensure revocation, teacher hiring practices, and conduct unbecoming to the teaching profession.
- SB 87, sponsored by Sen. Kent Smith (D-Euclid), which would establish the day of each general election as a legal holiday for which government employees receive paid leave.
- SB 99, sponsored by Sen. Catherine D. Ingram (D-Cincinnati), which would require public and chartered nonpublic schools to create a seizure action plan for each student with a seizure disorder.
- SB 104, sponsored by Sens. Jerry C. Cirino (R-Kirtland) and Andrew O. Brenner (R-Powell), which would make changes to the College Credit Plus Program.

The Ohio House of Representatives increased the Governor's budget proposal by adding the FY 2022 cost factors to the Fair School Funding Plan (FSFP). Adding the inflationary cost factor is key to keeping the FSFP a viable solution for schools moving forward. The increase in the cost factor, coupled with the third and fourth year phase in of a six year FSFP phase in is a big step forward to properly funding schools in the State of Ohio. Although this news is encouraging, the budget process is far from over. There are three more levels of approval before this becomes law. The Senate, joint conference committee, and Governor will all have to approve what has been presented by the House.
